RE: BID #17-52-Prequalification of bidders for Service Installation, Service Truck Rolls and Network Maintenance ADDENDUM #1

---

### Prospective Bidders-

We have received questions regarding the scope of service required to participate in this bid. To further clarify, the City will accept bids for partial scope, meaning a firm may elect to bid on just one, any two, or all three of the projects presented in the pre-qualification package you have received.

The three projects we have defined are:

- Service Installations
- Service Truck Roll (Repair)
- Network Maintenance

Please feel free to submit any further questions as directed in the application.
