

BID 17-38 ADDENDUM NO. 2

- Q. Does the Made in USA requirement need to be compliant with the Federal Trade Commission enforcement policy factors?
- A. Per the requirements of this bid, fiber cable must be made in the USA.
- Q. For your procurement do you require Made in USA fiber optic cable or do you a requirement to comply with the Buy American Act?
- A. This bid is not subject to the Buy America Act.
- Q. For your procurement of the GPON or Active Ethernet access equipment for your project, have, or will you have a Made in the USA requirement?
- A. This bid does not include GPON equipment, so this question is not relevant.
