Beverly Hills Water Tracker Announcement

Please Turn Off Your Sprinklers

The rain will saturate deep into the soil. After the final rain event, please keep your sprinklers off for 1 to 2 weeks.

Also, please consider:

- moving items you don't want to get wet
- cover your outdoor furniture, and
- clean critical sections of your rain gutter

FREE Sandbags for Beverly Hills Community Members

ADJUST YOUR IRRIGATION CONTROLLER FOR DST

The Public Works Department would like to remind you to adjust your irrigation controllers to reflect time change.

Fix a Leak Week March 20th-26th

- Check for leaks in your home
- Identify toilet leaks by placing a drop of food coloring in the toilet tank. If any color shows up in the bowl after 10 minutes, you have a leak. (Be sure to flush immediately after the experiment to avoid staining the tank.)
